TOČKOVANJE / Scoring

- Tekmovanje je posamično in ekipno.
The competition is both individual and team-based.
- Za ekipno točkovanje se upoštevata dva (2) najboljša rezultata po WA točkah iz posameznega kluba v vsaki disciplini, ne glede na uvrstitev v disciplini.
For team scoring, the two (2) best results based on WA (World Aquatics) points from each club are considered in each event, regardless of final placement.
- Če ima klub več kot dva tekmovalca na disciplino, se upoštevata le najboljša dva, ostali se izločijo iz ekipnega točkovanja v tej disciplini.
If a club has more than two swimmers in an event, only the two best (by WA points) are counted for team scoring; the rest are excluded from team points in that event.
- Končno ekipno razvrstitev določa vsota vseh točk, zbranih iz vseh disciplin.
The final team ranking is determined by the total sum of all points earned across all events.
